\$48,210 Presented to our 2018 Charities At 115th Anniversary Celebration Banquet

The Aerie Joint Anniversary Banquet on January 19th was well attended by #595 Aerie and Auxiliary members, Jr. Eagles, Colorado FOE State Officers and representatives of our charity recipients. All present were surprised and pleased by the total amount raised for our 2018 Charities.

To put the \$48,210 raised for charity into perspective, the amount for 2018 is a 24% increase over 2017 and \$28,261 more than was raised in 2016. These amounts reflect the dedication of our chairpersons and volunteers as well as the generosity and support of Aerie and Auxiliary members.

By all accounts the Aerie Joint Anniversary Banquet was an unqualified success thanks to the efforts of our committees and volunteers.

From left: Kari Fennell, John Moc-Lamme (Director of "The House"), Joe Burns and Gabe DeGabriele. Kari, Joe and Gabe were the Chairs of the March Fundraisers for "The House" that raised \$4,555.

Worthy President's Message

Dear Eagles family,

Wow! You are all awesome. What a fantastic Anniversary Celebration. To every one who helped make it happen, thank you.

A brand new month and charity. Everyone, please work together and have fun.

Let's all remember a Cherokee prayer and a Native American saying that express sentiments that should guide all of us.

The Cherokee Prayer: "Oh Great Spirit who made all races, look kindly upon the whole human family and take away the arrogance and hatred which separates us from our brothers."

The Native American saying: "When we show our respect for other living things, they respond with respect for us."

Be good to each other,

Doug Cleveland, Aerie Worthy President

Madam President's Message

Hi Brothers and Sisters,

January flew by while we were making Anniversary Celebration plans. What a great time at the banquet. It was lots of fun, especially handing out the awards.

The awards exemplify what Eagles are all about. I loved the surprise on Kari Fennell's face when she was named Auxiliary Volunteer of the Year. Kari steps in where she is needed, when she is needed. She's a great co-chair for "The House" charity-month, leading heads or tails for charities, organizing cornhole tournaments, horseshoes during the summer. Taking orders on hamburger night, and helping Joe and Teri on the pork chop breakfast.

Joe Burns— what a guy. I heard a lot of comments The stage never looked better than Anniversary night as on how well it looked and the choice of color on the wood. Joe not only does a pork chop breakfast but also leads a Tuesday burger night crew. This is in addition to his main job of Bar Manager. This is not an easy job. Thanks PaPa Joe for all you do.

Kelly Albright and Tom Vogt are a fantastic couple and great Aerie and Auxiliary members. What a superb job on our Anniversary Dinner. They also do breakfast once a month (everyone loves the grits that Kelly does) and a snack for Charity at least once a month.

It was great to give away over \$48,000 to our charities at our anniversary banquet. All of you should give yourselves a pat on the back since each of you had a part of this. This Aerie ROCKS, Brothers and Sisters, and I'm glad to be a part of this wonderful Eagle Family. Thanks to each and everyone for helping to achieve this goal.

Check your calendar for February as it promises to be a fun month.

Linda Cruz, Madam President

Aerie Volunteer of the Month Gary Crown

Gary is helping behind the scenes in the Kitchen a lot and deserves this recognition. Thank you Gary for all you do! We greatly appreciate your help.

Doug Cleveland, Worthy President

Auxiliary Volunteer of the Month Teri Austin

Teri Austin takes pictures at our functions, acts as co-chair for the Muscular Dystrophy charity month, helps out with the monthly Sunday pork chop and eggs breakfast and will be making the calls for February Bake Sale. She loves to play darts on Wednesday nights with her hubby, Mike. Great job Teri and thanks for all you do.

A message from the Colorado State Madam President

As your State Madam President, I just want Grand Junction Aerie #595 to know how proud I am of all of my Brothers, Sisters, Jr. Eagles, Poker Players, Eagle Riders, Cornhole Players and all who support our Charities. When the call comes to you each month that we need your support in helping the Chairman of the month reach her or his commitment, YOU are there to help. And boy did you step forward, over \$48,000.00, WOW.

I personally want to thank all of you for the support you have given me this year. Thank you to the Corn Hole Players and my Auxiliary for the donation of over \$500.00 to my charity, Kid's w/Cancer. To the Chairs of the Anniversary Jean and Kari, the cooks for all the meals and all of those who helped and to Teri Austin for all the pictures, thank you. To all who received an award, YOU truly deserved it. Congratulations. All the members of #595 should be proud of being a member of the Fraternal Order of Eagles, I know I am.

Remember a smile, a hello, an act of kindness can make a persons day better.

Helen Alley, Colorado State Madam President

A Thank You From Jean and Kari

Thank you to all the volunteers who helped to make our Joint Anniversary celebration a success. It all came together beautifully. The cleaning and set-up crews work behind the scenes, but without them the whole Aerie would not have been clean and ready. Our kitchen crews put out some fabulous meals. The officers were prepared and did a good job. Our charity chairmen have outdone themselves this year — the donations speak for themselves. We are People Helping People and we are AMAZING!!

Also, thank you, Aerie, for the new chairs.

Jean & Kari

Testicular Cancer Awareness Foundation

The Testicular Cancer Awareness Foundation is a Grand Junction, CO based nonprofit compassionately dedicated in the fight against testicular cancer. They offer support and guidance to patients and families, providing a resource for the medical community and providing financial assistance to those in need and continuing to save lives.

Because testicular cancer is not as common as many of the other cancers, some medical facilities are inexperienced in the treatment of this disease and may be unaware of the most effective protocols. It is crucial that the newly diagnosed have access to the most knowledgeable medical centers to help them beat this disease quickly and effectively.

They empower the patient with resource information for financial assistance through the use of online fundraising tools and provide limited funding to those in immediate financial need.

Support is very important.

The stage area was resurfaced, lighting and electrical upgrades were made, new chairs purchased, and accent curtains replaced. The Trustees are sponsoring a Guitar Auction this month to raise money for these upgrades. These aren't you're Mommas guitars. Check Facebook and the flyers posted in the Aerie to learn more.
