September Charity The Maxine Kovacic Children's Christmas Shopping Spree

Chairs: Lonnie Crown and Shirley DeBord

Each year Aerie #595 treats at least 80 deserving children from area middle schools, some of whom might otherwise have no presents at Christmas, to a Christmas shopping spree. Each child is accompanied by an Eagle member, and has \$100.00 to spend on whatever they need or would like.

Lonnie Crown and Shirley DeBord are the chairs for September's charity to raise funds to support this worthy endeavor.

Please come out and support the events and month-long activities noted elsewhere in the newsletter and on the September calendar planned by Lonnie and Shirley that include: a monthly raffle,

snap jewelry sales, tee-shirt sales, a sponsor-a-child ornament tree, a reverse raffle, a pig roast (thank you Susan Andrews of Critter Corner for donating and processing the pig), dinners, snacks and whatever else they can brainstorm.

Your offers to volunteer to help at events, gift cards for raffle and cash donations are greatly appreciated.

This year the Christmas Shopping Spree is scheduled for Saturday, December 14th. It takes at least 60 Eagle members to volunteer to assist the shoppers. For a rewarding and satisfying experience, pencil in this date on your calendar and come out and assist a shopper.

Queen of Spades Found Congratulations Catherine Johnson

Catherine Johnson (right) picked envelope 49 and found the Queen of Spades at Pick-Me on August 9th.

It took 46 weeks and 50 envelope picks until the envelope containing the Queen of Spades was found. The wait was worth it to Cathy. She won the max jackpot of \$15,000.

When asked how many tickets she bought on the last night, she replied, "Probably too many." Then admitted to buying 55.

A new Pick-Me game started on August 16th and the search is on for the envelope with the 8 of Clubs. Good Luck to all!

Worthy President's Message

Hello again,

September's charity is the Christmas Children's Shopping Spree and is most worthwhile and one of the Aerie's favorite charities. Make sure you show your support and give generously. I'm sure Lonnie and Shirley have lots of good ideas. Every little donation adds up.

The Eagles state campout held over the Labor Day weekend was another fun weekend. Next year, if you want to meet other Eagles from around the state, plan on attending. The Eagles state campground is near Eleven Mile Reservoir.

We are getting in gear for another football season so come on down to the social room and enjoy the games. Bring a potluck dish if you wish. The Broncos have a great first game on their schedule against the Raiders. We should have a full house, and a whole lot of fun. Come on down and support YOUR aerie. Attend a meeting, sponsor a new member, and grow our family.

Fraternally yours,

Joe Burns, Worthy President

Madam President's Message

Greetings brothers and sisters,

Wow! Hard to believe that Summer is almost gone, and school is already back in session.

Time is flying by. We had a great time at the Louisville convention. We learned a lot, played, and made new friends. We even did a side trip to Nashville. Thank you Sue Reigles for traveling with me. It was a blast.

One thing that I found interesting in one of our meetings was that the Auxiliary wanted to change our Auxiliary Logo. They wanted to remove the Mother Hen and make it more like the Aerie emblem. This was voted down this year, but they will try again next year. They would like to try for something more modern.

September's charity is the Children's Christmas Shopping spree. Lonnie Crown and Shirley DeBord are the chairs. One of the fundraisers planned for September is a homemade cookie bake on the first burger night of the month. To make this event a success, we need to recruit some cookie bakers. If you can help by bringing homemade cookies by 5:30 on September 3rd, please give me a call at (970) 210-4587.

It's not too soon to start making plans for our annual fall craft show. Last year we had a little over 30 tables of vendors.

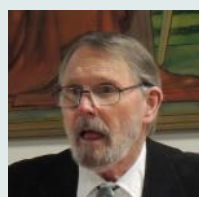

A warm welcome goes to our new sisters Heather Woodhouse and Leslie Capehart. Please make them feel welcome.

Take a walk with a turtle and behold the world in pause.

Deb Conrad, Madam President

Aerie Volunteer of the Month Russ Williams

Russ is always busy helping out the Aerie in many ways. He works tirelessly at the bingo hall, helps in the kitchen whenever he's asked, is our games manager and even oversees our recycling. In addition, he is the F.O.E. Colorado State Treasurer as well as ours.

Thank you Russ for all you do for all of us at the 595.

Joe Burns, Worthy President

Calling all vendors. There will be a craft fair on Saturday, October 5th. If you would like more information on the fair, please contact Jay Baugh at (970) 250-9710 or Deb Conrad at (970) 210-4587.

Auxiliary Volunteer of the Month Janet Meissner

Janet has been an Auxiliary member for 2 years and has been our Madam Conductor ever since. She is also chairman of our storage organization crew. Janet is always on the spot if we need her to help no matter what the activity. From working in the kitchen, raffles, serving food or anything else that needs to be done she is always willing to step up. Thank you Janet for all you do.

Deb Conrad, Madam President

Internal Units

Within the Fraternal Order of Eagles exists our Internal Units, which are clubs-within-a-club designed to allow an outlet for members with similar interests to gather in the spirit of fraternalism. Current authorized Internal Units include Eagle Riders, Retired Eagles Activities Club (REAC), the Under-35 Club and the Junior Order of Eagles.

Eagle Riders

Eagle Riders, an internal unit of The Fraternal Order of Eagles, is dedicated to uniting the organization's spirit of People Helping People with a love of motorcycles. Thousands of dollars are raised each month nationwide by Eagle Riders groups holding poker runs, toy runs, fundraisers and casual rides to help make a difference in their communities. Membership in the Eagle Riders is open exclusively to male and female members of the F.O.E.

Junior Order of Eagles (J.O.E.s)

Through the Junior Order of Eagles, our members teach community youth (12 to 18) the values of teamwork, organization, philanthropy and more. J.O.E.'s operate much like our traditional Aeries and Auxiliaries and are led by an adult sponsor who guides them along. These groups typically assist by serving food at Aerie/Auxiliary functions and holding fundraisers for community organizations which target youth. The parents of J.O.E.s do not have to be Eagle members.

Retired Eagles Activities Club (REAC)

REAC was created as an outlet for retired members to plan special events and activities to make the most of their free time. REAC members are dedicated to raising money for various causes impacting the senior citizen community and take great joy in having fun in great company!

Under-35 Club

Younger members have the option to begin an Under-35 Club, utilizing events and activities which appeal to their demographic in an effort to raise money for charity and draw in outside members of the community with a shared interest in helping others.

Interested?

If you are interested or want more information on joining the Eagle Riders or the J.O.E.s, check our calendar for a meeting date and stop by. Currently, Aerie #595 does not have an active REAC Internal Unit or an Under-35 Club. If you are interested in forming and/or joining one of these Internal Units, ask an Aerie Officer for more information or contact the Grand Aerie Membership Department at membership@foe.com.

News from the Eagle Riders

Well the summer may be coming to an end this month, but things are just heating up for the Eagle Riders. First, a look back at the month of August.

We hosted 2 events in August. We served Thursday Night Street Tacos and had the Track Concession Stand open for the NASCAR night race at Bristol. This will be the last NASCAR event this year.

August also had a very special event. Our Road Captain, Dave Williamson tied the knot with fellow Eagle Rider, Pam Blair. The wedding was held at Dave's Cabin and many of us were in attendance on bikes. Congratulations, I think I can speak for the entire 595 when I say that we are very happy for you both!

Now, on to September. We have 3 events this month. We will be serving French Dip on Thursday 9/5. Our annual Picnic at the Williamson's Cabin will be on Saturday 9/21. We will also be hosting a Bronco's Tailgate Party on Sunday 9/29. Proceeds from that event will be donated to the September Charity, the Children's Christmas Shopping Spree. The Eagle Riders are proud to support that event.

We will be planning some more "Fun Runs" this fall so watch for more information on that.

Keep the shiny side up and the rubber side down.

Tom Vogt – President

Thank You

I would like to say a big thank you to Arlene Beltran, Cecilia Cruz, and Leo Medina for cleaning up the kitchen after hamburger night on July 30th. Also another big thanks to a last-minute-fill-in burger crew on August 6 by Russ, Teri A. Thank you all.

We're still looking for first and fifth Tuesday Burger crew volunteers.

Linda Cruz, Junior Past Madam President

A Big Thank You to **Orchard Mesa City Market** and **Safeway** at Patterson and 29th for their sponsorship of our Charity Steak Dinner on Saturday September 21st, which will benefit the Children's Shopping Spree. There will be a signup sheet for the steak dinner by the walk-in cooler in the social room so we can plan and buy for the large crowd. Please support both of these businesses who have supported us. Also Popeye's will be donating some of their famous biscuits to be served with Shirley D's homemade sausage gravy that will be served during the Charity Breakfast on the 29th along with the regular breakfast menu. Please check out the September calendar for all of the charity activities throughout the month and help us in our effort to send at least 80 kids to the Children's Shopping Spree.

An Aerie #595 Veteran Salute

Kim Wright, a Grand Junction native, moved to Dallas, OR at the age of 13. In 1976, an Army recruiter visited his house. Kim admits to being susceptible to sales pitches and he jumped at the chance to serve his country and learn a trade. A couple of months later at the age of 17, he started what was to become a 30 year career in the Army National Guard at Fort Ord, California.

After completing basic training at Fort Ord, It was back to the National Guard unit in Dallas, OR. Over the course of his career, he was attached to Guard Units in Gillette, WY, California, Utah and Grand Junction. Kim enjoyed life in the National Guard and was always willing to volunteer for extra duty.

For much of the final decades of the twentieth century, National Guard personnel typically served "one weekend a month, two weeks a year" As part of the Reagan Era defense build up, the National Guard began to transform from a strategic reserve to an operational one. This included modernization of equipment and weapons, more intensive training during drill and annual training periods, and increased overseas training opportunities. By 2013, the Army National Guard represented almost 40% of the US Army's total combat capability

After 9/11, the National Guard was called out more frequently for anti-terrorism duties. He was activated for security details during the 2002 Winter Olympics in Salt Lake City. He was also assigned two months airport security duty during 2002 supplementing TSA at Steamboat Springs-Hayden Airport in Colorado. He said that he wasn't deployed for the 1st Gulf War because it was over so quickly, but was deployed to Kuwait from September 2003 until April 2005 in support of Iraqi Freedom 2.

During his tour, Kim had various assignments. He started on the dining facility staff in charge of ration control and overseeing day-to-day

Kim Wright in 1976
after basic training.

operations of the civilian staff feeding 13,000 troops three meals a day at Camp Buehring, Kuwait. Later in his tour he also had perimeter security and escort security details.

Kim retired from the Army National Guard in Grand Junction during 2006. When asked about his time in the Guard, he said, "I wish I was still in. The summer camps were some of the best of times and I really enjoyed my work in Kuwait—the heat really didn't bother

me."

Kim met his future and current wife Marianne Delaney, operator of the Hill Top Barber Shop, on a Friday night when they were both guests at Aerie #595 during 2012. Recently Kim was asked, "You've already admitted to being a sucker for sales pitches. What happened in 2012, dancing on Friday night and a haircut on Wednesday?" Before he could answer, Marianne said with a small smile and the wink of her left eye, "Monday." Both were initiated into the Eagles during 2016.

Aerie #595 salutes Kim for his service in the Army National Guard. He is a frequent visitor at the Aerie on burger nights and sometimes on Friday night for Karaoke and pick-me, usually accompanied by Marianne. The next time you see him at the Aerie, take a minute and thank a proud veteran for his service and maybe even recruit him to cook on a crew for burger night.

Editor's note: An Aerie #595 Veteran Salute is scheduled to appear in the Eagle Pride on monthly basis. If you are an Aerie #595 veteran, we hope to run your story. Please submit a photo, sit down and tell us your story.

Kim circa 2006.
