Our June Charity is "Heart Foundation"

Chairman is Megan Joslin
Co-Chair is Heidi White

Come one, Come all! I promise you this month's charity will leave you with a belly full of laughter and a heart full of joy! In June we will be raising funds for Community Hospital's Cardiology Care Center.

On June 11 its **Carnival Night** and we will be crowning a Fool! This is a contest where we will discover who can make a bigger fool of themselves. Its \$5.00 to enter and the contestants will be judged on how much they can make us laugh. The crowned Fool and his Jester will receive a fun prize so get your best jokes ready and come out ready to make the audience crack up! The same night everyone will be in stitches when they see Dallas Hanson and Gabe DeGabriele get rid of some extra hair. Trust me when I say, this is very much needed! Squares will be selling at \$10.00- Come out and witness this for yourself.

Our next major event will be a pig roast on June 18th at 5:30. The pig comes from one of our sponsors, Critter Corner, and we will have some great side dishes and a dessert, all for \$15.00 per plate. Dinner will then be followed by a silent auction.

**Thank you for all your incredible support for this month's charity

A Message From our Worthy President

Brother & Sister Eagles

Becoming your Worthy President is bittersweet for me. The bitter part being that Worthy President John Moore's term was disrupted by the Covid virus.

The virus had a devastating effect on how we do business however we pulled through it made some money and was able to pay our bills on time. Russ and his Bingo Crew were the big money makers. Hats off to the and all who volunteered and lent a helping hand.

The sweet part is that I am honored to be your Worthy President for the 2021-2022 year. I will work hard to see that we have a successful year. I will be spending a lot of time at the Aerie getting to know those of you that I have not had the privilege of meeting. Feel free to talk to me or any of the Officers if you have any questions or concerns.

The main goals I want to work on will be membership retaining and adding new members. I want to work on getting more members to meetings and involved in moving through the Stations. The average age of our Officers is at 70 years young. It is time to pass the torch to our younger brothers. We need new faces at meetings. Come down and see what goes on and how to become involved. I have more goals to work on and I welcome any ideas you may have.

Don't forget we will be hosting the State Convention from June 24th through the 27th. This is a huge undertaking, and we need help. Contact any officer of either the Aerie or Auxiliary to find out when and what areas we need help. This is a great event for our Aerie.

I hope to be seeing more of you and thanks for your support. Without the members and their unselfish ways, we would have closed our doors. We need to strive towards adding more volunteers and more people stepping up to help. We are only as good and as strong as our membership.

Worthy President- *Jim Stepisnik*

Aerie Volunteer of the Month

My Volunteer of the Month goes out to both Joe Burns and Gary Crown. Both represent what we are all about. They are available to step in any time they are asked.

We are blessed to have so many volunteers that all do a great job and deserve recognition. My hat goes off to all of you.

Joe and Gary stood out to me this month as I watched them take openings for cooking meals that could not be filled.

This was on top of the meals they had already committed to.

Congratulations to both of you and thank all of you.

Jim Stepisnik

A Dad is a person
who is loving and kind,
And often he knows
what you have on your mind.

He's someone who listens,
suggests, and defends
A dad can be one
of your very best friends!
He's proud of your triumphs
but when things go wrong
A dad can be patient
and helpful and strong.

In all that you do,
a dad's love plays a part
There's always a place for him
deep in your heart.

And each year that passes
You're even more glad,
More grateful and proud
just to call him your dad!

Thank you, Dad .
for listening and caring
for giving and sharing
but, especially, for just being you!
Happy Father's Day

From our Madam President

Greeting's Brother and Sister Eagles. I want to thank my Auxiliary Sisters for the opportunity to serve as your new Madam President. Together with your new Auxiliary Officers we hope to accomplish great things.

A few words about me - due to my love of woodland animals my symbol is the Fox, my Motto is "Make Every Day Count!", my colors are tropical teal, cranberry and denim blue. My metal is copper. My goal is to mentor and involve our new members in the day to day dealings of the Aerie as they are our future leaders.

We are off to a busy start with the June Charity "Heart Fund" Co-chaired by Megan Joslin and Heidi White. The Eagle Riders will hold the Bad Ride to benefit Diabetes.

Our Aerie will be hosting the 2021-22 Colorado State Convention June 24-27.

Check your calendars as we have something for everyone.
Thank you and God Bless

Madam President - *Susanna (Sue) Reigles*

June Volunteer of the Month:

The Auxiliary Volunteer of the month is Cecilia (Cissy) Cruz. Cissy joined our auxiliary around 5 years ago. She has been an active member and officer of our auxiliary.

Cissy was our Madam President for this past year 2020– 2021. A year filled with many challenges, restrictions and closures due to Covid. She became ill and had a hospital stay, and managed to come through it. Her faith and determination is her anchor and has helped her to go forth and deal with the business at hand. Cissy is the current Past President and Chaplain for our Eagle Riders.

Thank you Cissy for all you have done and are doing.

Madam President - *Sue Reigles*

From the Eagle Riders:

Greetings everyone,

This month is our annual B.A.D. Ride Poker Run. Our goal is to have 100 riders and to hopefully raise more than the \$4200 we did last year. Things are coming together but we still need liquor, beer or wine donations for our grand prize. If anyone has a donation or raffle/auction items, please reach out to me or any Eagle Rider member.

The weekend after the BAD Ride, a lot of us are riding to **Chama** to meet with other Eagle Riders from all over the state. This is a fun event and the #595 will be well represented, approximately 12-15 of us are going. We will also be helping Dave and Kari celebrate their honeymoon while we are there.

We have a very busy month in June, and I really want to thank our newer members who are all pitching in and helping with all our events. The Eagle Riders currently has 37 members and is growing everyday it seems.

Remember to always look twice and maybe save a life. Motorcycles are everywhere!

Tom Vogt – Eagle Riders President

 ALL PROCEEDS BENEFIT GUARDIANS OF THE WEST, INC. 

Guardians of the West is a nonprofit corporation that serves as legal guardian, advocate, and care manager for incapacitated and isolated adults in Western Colorado. This nonprofit was just started. We already have 1 ward. We need funding to make this a reality!

"By 2030, more than 2 million adults over the age of 70 will have outlived all of their friends and family members," leaving them without anyone to advocate for their needs if incapacitated. The issue is so large that Colorado is addressing guardianship as a statewide problem. Unfortunately, estates cannot often afford for-profit agencies that serve as guardian. GUARDIANS OF THE WEST will fill that role for at least 8 qualifying people per year. "Each ward could cost between \$3,000 and \$7,800 per year." If an adult in the community appears to exhibit incapacity issues, a person interested in the individual's welfare may initiate a petition for a guardianship proceeding to determine if the person satisfies the legal standard of incapacity. If proven, the court will appoint a guardian that has the legal authority and duty to care for the incapacitated person, then called a "ward." Information and citations from: The Public Guardianship Advisory Committee's Report to the Chief Justice of the Colorado Supreme Court, Office of Public Guardianship Advisory Committee Recommendations for a Pilot Program, July 31, 2014.
